ASSORTED WHOLE HIDES

Yes, you read that right – 80% off retail price on these luxurious whole hides. These gorgeous hides are being offered at never-before-seen prices. Colors, sizes and thickness on these hides will vary by store, but most are earth tones with some bright colors, too. Hides are mainly 3 to 4 oz. (1.2 to 1.6 mm), and a minimum of 40 sq. ft. If you're looking to update your space, this beautiful leather – and amazing price – will make it easy. Don't let your imagination stop at furniture, though. Use these supple skins for handbags, wallets, belts, book covers or specialty projects. Make sure you get in on the best deal of 2017. Quantities are limited.

CRAFTOOL® DELUXE LEATHER SPLITTER

This is one of the finest bench splitters manufactured today. When you see the plate steel construction of this splitter, you will know that it is ready for a lot of use. The 6" (152 mm) blade makes it great for skiving straps to a consistent thickness or thinning the ends for a buckle. Adjustments will let you set it to get the same results every time.
